

JEFFERSON COUNTY PUBLIC SCHOOLS

All children can learn, but some learn differently. Some children need more help than others because they have a disability. We can help by accepting individual differences at home, at work, and at school.

The Jefferson County Public School (JCPS) District urges you, through Child Find, to give every child a chance to learn. If you have or know of an infant, toddler, child, or youth who has a disability and is not getting needed special help, please contact the JCPS Exceptional Child Education Office.

Let us help. Show you care!
