

*Tenants have a right to safe, healthy housing.*

*Guardianship can help a grandparent or relative caring for a grandchild on a full-time basis.*

*Every child has a right to a free and appropriate education.*

## **About Doctors & Lawyers for Kids**

We are a program of the Legal Aid Society and a Medical-Legal Partnership that joins the Louisville Bar Association, Family Health Centers, Norton Children's Medical Group, and Smoketown Family Wellness Center.

Medical-legal partnerships exist in more than 250 healthcare institutions in over 36 states. Each year, they help more than 60,000 patients and families resolve legal issues that are impeding their health.

## **Our Mission**

To connect the medical and legal professions to address the legal needs that affect the health and welfare of children and their families.

Our services are always free. Call us at (502) 614-3109 or visit us online at [www.yourlegalaid.org](http://www.yourlegalaid.org).

### Who are we?

Doctors & Lawyers for Kids is a *free* service. Our doctors and lawyers work together to solve a variety of medical and legal problems that may keep children from being as happy and healthy as possible. We have one full-time lawyer and a paralegal on staff. Our clients also have access to volunteer lawyers from the Louisville Bar Association.

### Who can we help?

We help families at Norton Children's Hospital, Family Health Centers-Portland, Iroquois, and East Broadway, and Smoketown Family Wellness Center who meet our eligibility guidelines. We do not help on criminal, personal injury or medical malpractice cases.
