

Let us take care of your child, while you take care of you.

To be the best parent you can be, sometimes you have to take time out for you. If you've decided that it's time to seek help for an addiction or illness, Home of the Innocents is here for you. Through the Home's **Project Keepsafe** program, your child (or children) can stay with us while you seek full-time treatment.

Project Keepsafe is a FREE service that offers your child:

- housing, clothes and meals
- an experienced, caring childcare staff
- medical and dental care
- scheduled visits with you
- access to one-on-one counseling
- the chance to remain in their own school
- fun activities
- a home-like facility with an 8-acre backyard!

The best part about **Project Keepsafe** is the peace of mind that comes with knowing that your children are still in your custody while they're in our care.
